

THE GLOBAL CONSORTIUM ON CLIMATE AND HEALTH
EDUCATION AND SUSTAIN OUR ABILITIES PRESENT

CLIMATE CHANGE, DISABILITY, AND REHABILITATION

A DAY FOR TOMORROW WORKSHOP

[REGISTER](#)

[WEBSITE](#)

The goal of this interactive workshop series is to highlight the urgent need for rehabilitation providers to work together globally with persons with disabilities and specialists in other areas to ensure persons with disabilities have climate justice and their health and overall life concerns are addressed. In this course we will address issues of adaptation and mitigation to climate change in rehabilitation care along with discussing recommendations from leaders in the climate change community that are living with disabilities.

SESSION 1: September 29, 2022; 12 - 1:30 P.M. EST

CLIMATE CHANGE AND DISABILITY: WHAT ARE THE HEALTH AND ABILITY CONCERNS?

SESSION 2: October 6, 2022; 12 - 1:30 P.M. EST
