

Italy - Lyrics

When physiatrists from all over
Come together and start to buildup
We can do something for you...

Raise your eyes, improve your function,
Put your life in the hands
of the ones
who can really help you...

Take the first step and don't delay,
Physical and Rehabilitation Medicine . and the future starts today!

ISPRM, ISPRM
One more step together and life starts again
ISPRM, ISPRM
All together for ISPRM!
