

ISPRM WE WILL

Composer/Lyrics
Davinna MS Ho

When we first met
We were wanderers
But we sought to be warriors

And we worked
To promote
Quality of life

An optimal care
We strive to give
To aid and help
PWDs in need

Disability to ability
Is what we strive to give
And that we will achieve

Fly up, fly up
Fly up above
Soar high, soar high
And reach the stars

We will be hand in hand
We will be side by side

Fly up, fly up, UP above
Soar high, soar high
And reach the stars

We will be hand in hand
We will be side by side

Together ISPRM We Will
