Role and Responsibilities of Executive Committee (ISPRM Policies & Procedures)

Role and responsibilities:

- **Leadership and Governance:**
 - Provide strategic direction and decision-making to guide the ISPRM in achieving its mission and objectives.
 - Ensure transparency, accountability, and adherence to organizational policies and statutory requirements.
- **Operational:**
 - Oversee the day-to-day operations of the ISPRM, ensuring alignment with strategic priorities.
 - Support the implementation of initiatives, events, and programs.
- **Financial Management:**
 - Approve and monitor the annual budget and financial reports to maintain fiscal integrity.
 - Ensure compliance with financial policies and regulations.
- **Member Engagement and Support:**
 - Foster active member participation in ISPRM activities, including committees and groups.
 - Address member feedback and needs effectively to enhance engagement.
- **Communication and Collaboration:**
 - Facilitate communication between governing bodies, committees, and members.
 - Promote collaboration among members, stakeholders, and partners.
- **Strategic Planning and Development:**
 - Develop and implement initiatives to advance ISPRM's mission, vision, and strategic objectives.
 - Identify opportunities for growth and innovation in alignment with member and field needs.
- **Administrative and Policy Implementation:**
 - Ensure effective implementation of ISPRM policies, procedures, and operational practices.
 - Support smooth transitions for incoming officers and ensure continuity in organizational governance.
- **Representation and Advocacy:**
 - Represent ISPRM at national and international forums to advocate for its mission and strategic goals.
 - Build and maintain relationships with key stakeholders and external partners.

- **To be eligible for the position of Representatives of the National Societies to the Executive Committee, you should fulfill the following criteria:**
 - to have a Medical Doctor degree with a PRM specialist title or equivalent
 - to have at least 10 years of PRM practice or national equivalent
 - to be an active and participating member in national and international PRM or related organizations
 - to be actively practicing and/or participating in organizational activities in his/her own country
 - The applicant must be registered at the ISPRM website and the membership must be up to date.
 - to be an Active Member of the ISPRM (individually or through an Active National Society)
